guy "and don't you ever  
forget that" as big Will  
Lachs would say. Maybe  
Will be lucky enough to  
get the ol' Trof again  
next year. We don't learn  
History in there, but we  
sure learn about Winona

Will good luck Hicksy,

of luck in the future.  
Be seeing you around.  
Rose H.

to that - finally with  
your age on your band  
trips & hat like Cliff!

Hi Eugene

Dear Gene,  
Let's see how I  
want in your class  
we really would have fun  
but? I care. Have made the  
happy faces & you convinced  
them. Really - a thing  
a wonderful artist and  
I honestly think  
you're more good -  
kind of level to one  
swell person -  
"Moria"  
Edwards

Dear Gene,

You haven't carried out your  
speaking duties as well as I expected  
but still I find you charming  
and lovable — — — but dumb.

I know your life will be  
dark and dreary next year with-  
out my cheerful presence. If you  
ever go East — Grand Forks that  
is — look Reg. & I up. We'll  
both be advanced chemistry  
students.

Maybe I'll see you this  
summer if I can't catch it.

Love & Luck  
B.A.

P.S. You from now on probably  
will remember me and be lonely.

Betty Christ.

Dear Gene,

# CLASS PROPHECY

Here we are at the World's Fair in the city of Minot, 1970. We're looking down from our broadcasting studio on the fifth floor of the sixty-seven story, Leland Bangen Hotel, in the heart of the city. We're gazing upon the longest parade since the time of Princess Elizabeth's wedding. The parade is just entering the golden gates of the fairgrounds, while the latter part is now crossing the Garrison Bridge, in the suburbs of Minot. First in line is the queen. Who is it? Well you guessed it—none other than Lois Jessen. Following the queen in a new Chrysler from Blaisdell's Motor Company is Chief of Police Fred Perkins. Farther back we find Sue Harmon and Judy Dunnell riding the fine horses from Dyson's Stables. Do my eyes deceive me? No, it's Mr. Laabs still peddling his bicycle—now the oldest in the city. As we turn from the parade to the business section of Minot, we notice internationally known names such as Bader's Bargain Store and Bjork's Loan Association. He inherited millions since school days. At the More and Gorze Theatres we find talented Lana Cooley and Lamour Bowlby's premieres showing.

As we enter the grounds, we go directly to the grandstand to see Whiddens three-man act. (Whidden and Double or Nothing). As you sit waiting for the show to begin, the announcer (better late than never, Oothoudt) comes running across the stage. The Mosvick Rhythmaires strike up the music and Maxine Tufford sings, "My Hero." But what is the commotion in the bleachers? You could have guessed. Clowns, Larry Erickson and "Zeke" Mattson are trying to kiss the girls—it's all part of the act—and Zeke's beard scares them. All is hushed while Governor Weium speaks, and as you leave, the Minot High School Band, under the direction of William Pettys, plays "It's All Over Now."

Dear Gene,  
 It sure seems like more than 2 yrs. since that first nite we started to learn. "Smoke Gets in your Eyes" doesn't it? It was fun arguing though. I really think Cliff got pretty disgusted with us the nite we took chicken & choc. cake to eat on the stage. It's something I'll always remember too. of course I couldn't forget Adv. algebra either. Lots of Luck as a Senior. and as a member of the music masters. Joan Kiloistad.

Our thanks to you, Mrs. Rush, our Class Advisor.

In the past three years, we of the Senior Class have been fortunate in having Mrs. Eula Rush, Class Advisor. In our Froshmore year, she helped us become acquainted with our new surroundings in Senior High. The highlight of our Junior year was the Junior-Senior Prom, which Mrs. Rush so efficiently directed. Finally comes our Senior year and with her able assistance, we have reached the goal we have been striving for in the past three years. As we look back on our High School days, we will have fond memories of Mrs. Rush.

Dear Fern:  
 Say, all bet you guys are  
 really going to miss me!  
 Well, anyway, here's lots of love to  
 a swell guy.

# CLASS WILL

## LAST WILL AND TESTAMENT

We, the Senior Class of 1948, do hereby bequeath this, our class will, to the undergraduates, whom we believe have earned these tokens of appreciation and recognition.

Bette Ann Olson (B. O.) has offered to leave her intelligence of history to those who are not so fortunate as she.

Fred Perkins is surrendering all the small desks in the school to Jimmie Frank.

Amylou Krick bestows her quiet sense-of-humor to Greta Breaw, but will take her golf interest with her.

Roald Mattson is leaving in spite of the wishes of the junior girls.

Joan Cedarstom endows her ability of finding out-of-town men to her sister, Carol. *more fun*

The mania that Joyce (Joos) Roos has for Vip jokes she gives to all who can enjoy them like she can.

Stan Hanson takes along all he has worth leaving; including Jerry—*worth while!!*  
need we say more?

Evie Sand thinks she should have waited another year to graduate—You can guess why.

Henry Blaisdell leaves saying, "If you don't get your English; it will get you."

Ilene Bakken leaves; heading toward Montana.

Roger Mosvick wills his charm over Junior High girls to George Dow.

Mickey Dyson leaves the memory of her laugh, much to the distress of the teachers.

As Bruce Whidden said good-bye to his studies, we noticed he took Jean DeWitt with him.

Pat Sherman donates her clothes to—on the other hand, maybe she'll need them.

Larry Erickson leaves his "wim, wigor, and witality" to Wally Varberg.

Dorothy Hanson gives her gum chewing to Dot Cuff, who will carry on in the true tradition.

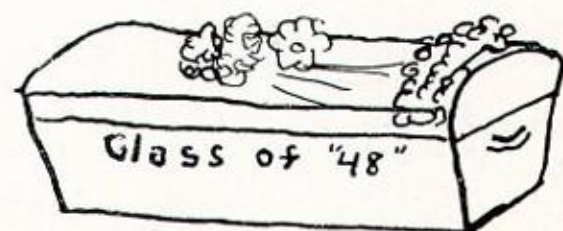

Paul Balerud passes on his famous cracks to Jack Daveau.

Norman Lansverk bestows his good looks and good nature upon Duane Lyders.

Judy Dunnell leaves her unexpected jokes to anyone who can pull them off as well as she can.

Marvel Flom leaves her sparkling smile to Colleen Peterson.

And so we leave. Have fun kids, you'll miss school when you're gone.

# CLASS HISTORY

It was twelve years ago that our mothers first brought us to school, garbed in our best organdy dress, or our new knickers. B. O. and the two other wild women of Roosevelt, Barbara and Nonie, used to go up into the hills and smoke powdered sugar rolled in wallpaper; their own brand. At McKinley in the sixth grade we found Yvonne Haldi chasing Jim Rush and Johnny Weium around the desks. Johnny's blonde curls were finally a deciding factor. Steadies thrived in those days too. Looking back we see such tender couples as Gloria Wilson and Freddie Perkins, Dorothy Cooley and Henry Blaisdell, Connie Joyer and John Jones, Mollie Lou Knudsen and Wally Hankla, and Shirley Gorze and Bob Olson. At Sunnyside we found the eternal triangle of Jerry Kane, Bud Keyes and Delores Conlon. Jerry won out though and she and Bud hit it off for four years.

Then came that bright September morn when all of us eager little seventh graders started trudging the first of those many miles to what was destined to be our home for three years ---- Junior High School.

The rows of shining lockers, the galaxy of bells, and the new classes brought many changes to our "Little Red School House" regimented minds.

For reason of keeping our noses clean and mouths shut, at the end of a year we were finally allowed to start trudging up to the sacred second floor. It was here the worm turned and we began to demand our place in the sun. There were assemblies, Bond Drives, and plays, to say nothing of the dances up in Ye Old Sons of Norway Hall. It was about this time when the power of politics began to make itself felt as we voted for our ninth grade officers. Amid choruses of "We wuz robbed" Bowlby ascended to the vaunted position of prexy.

Finally it came about that we, too, assumed our rightful place as the "Aristocrats of Junior High," demanding tribute from our inferiors. Came the spring time and the more migratory-minded of our group flew the 114 miles south and had their first taste of "tournament time." At long last that great day arrived when as future Froshmores, a good 200 high heels and assorted complications, too became alumnae of "the school that hits the sky."

High school days are said to contain some of the happiest memories of our lives. Our class had more advantages than the preceeding class enjoyed. During the Froshmore year a recreation program was set up, and we had a new vocal music department for those who wished to sing.

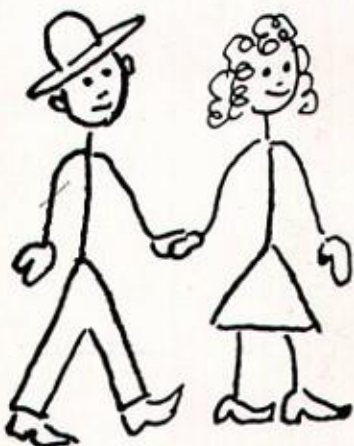

Of course the Junior Prom, Lamplighter Serenade, was the high light of our second year. Remember the fun we had making paper flowers?

Speech was added to the curriculum and to celebrate a successful year they had a banquet. Tomato cocktails were served. Later that afternoon many of the victims went home ---- sick. Ahe-he. In the spring the band was invited to Regina. About that time skip day was ordained for seniors only, but so did we. Well, we didn't mind cleaning up our school trophies; they needed it anyway.

The last step in the ladder was reached; we were Seniors. To most of us, Loyalty Day is showered with remembrance. Funeral greens, catchup blood, and crepe paper streamers followed the impressive coronation ceremony lot of our queen, Lois Jessen.

The climax to our basketball season was the trip to the Class A tournament. Three days that will not be forgotten by us.

Now we have completed the metamorphosis, our wings are dry, and we are ready to fly into another unknown world, a world of our own. Some of us will go to college and others will work. What ever becomes of us we will never forget our happy school days in old Minot High.

As in the past, the uniform band has put in a full year of credible work. Present at football games, as well as basketball games, they have generously offered their talents at other sport and civic events. The personal, numbering 56 is chosen through special try outs, and the final decision is made by director Arvel N. Graving. Several concerts as well as assemblies may be included on the list of activities for the band this year. They also added a lot of pep to the Class B Tournament in March. Dressed in striking maroon and gold uniforms they were named the official tournament band. Loyalty Day and the M. S. T. C. Homecoming parades saw the band on the march. An out of town band trip was the highlight of the year for all band members. These and many other happenings will remain in the minds of band members when they think back and recall the time spent practicing on Tuesday, Wednesday, and Friday of every week throughout the school year,

Something new in the instrumental music department this year is the formation of a second band. The main aim of these band members is to be able to join the ranks of the uniform band, and this can be done if they show advancement in their work as well as a willingness to work. Although they haven't made many public appearances this year, they have been working hard. They meet every day of the week, second hour in the band room. They average a number of 25 members, which varies from time to time according to advancements and new members.

The Minot Senior High School orchestra has played a very active part in all musical affairs this year. Their appearances at all the class plays added much to the productions. The members have participated in many assemblies, including the Christmas pageant. Combined with the girls glee club, they have put on several formal public concerts. Under the direction of Arvel N. Graving, they also played at Baccalaureate and Commencement exercises. Meeting twice a week, on Monday and Thursdays, the members have derived much enjoyment and well as knowledge from their music.

### *Musical Highlights*

We can certainly thank Mr. Cory for his excellent work of improving our vocal music. He started the A cappella Choir and enlarged our Girls' Glee Club. He also started the Boys' Glee Club and voice classes. The Boys' and Girls' Glee Clubs gave two combined concerts this year. One was on Nov. 12 and one was on April 21. These two music groups hold classes five days a week on school time. The A capella Choir meets three times a week at 8 o'clock in the morning. They have also given two concerts this year. The dates were December 3 and March 24. Both the A cappella Choir and Glee Clubs give their concerts for the school in the afternoon and for the public in the evening. This year they are charging for the evening concerts. These are held in the auditorium at the Senior High School. Along with every thing else the A cappella Choir takes a trip. This year they went to Williston. Williston returned this by coming and performing for us. The trip this year was sponsored by the Choral Parents Club, which is composed of the parents of vocal music students. Many students have taken a great interest in vocal music the last two years.

Wally Varberg and  
LaVon Slosson

Due to the efforts of the junior class, the 1948 Prom was a huge success. The theme, "The Stars Will Remember", was artistically worked up in a blue and silver color scheme and dance music was provided by Cliff Allen's orchestra.

The grand march, led by Mitsue Yanagita, junior class president and her partner Duane Dahlberg, started amid celestial splendor and couples danced under a huge star, suspended between the first and second floors.

Representing the senior class in second place were John Weium and Gloria Wilson, while the junior vice-president, Wally Varberg escorting LaVon Slosson, were the third couple.

Mr. Carlson

Mr. Sanders

Mr. Sorenson is the man that supplies the material for the Varsity Basketball Team. We realize a player cannot be a star overnight and it is through Mr. Sorenson that the varsity hard court players get their start. In future years he will be able to sit back and relax at a basketball game knowing that he too was responsible for their ability.

Peter Petrich

Mr. Carlson

Mr. Sanders

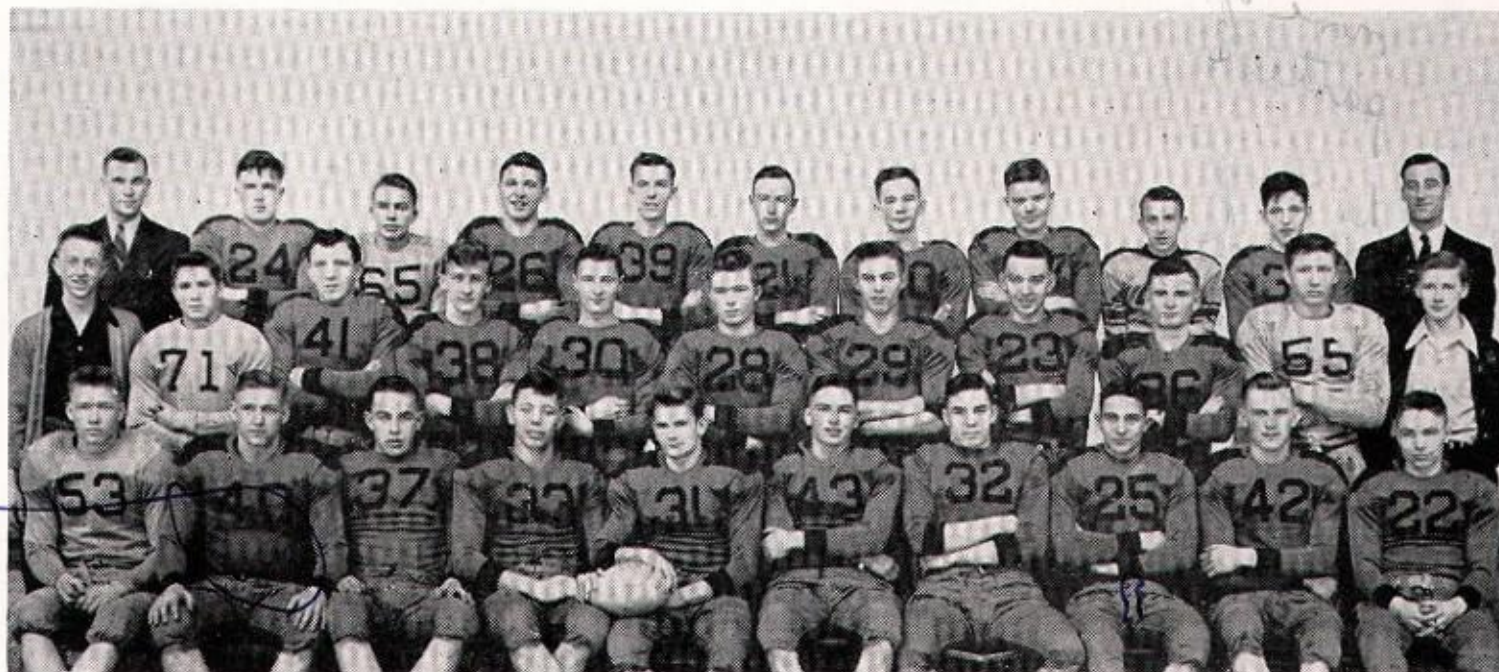

It is through these two coaches that Mr. Petrich receives his material each year for the varsity football team. Mr. Carlson is assistant coach and Mr. Sanders is reserve coach. We would like to extend our appreciation to these coaches who not only enjoyed our victories with us but also mourned our losses with us.

Peter Petrich

Under the able coaching of Mr. Petrich the Magicians have enjoyed quite a respectable record. Although this is only his second year Mr. Petrich is known and feared throughout the state for his coaching abilities. Mr. Petrich was not disillusioned by the loss of material caused by graduation in '47, but came through with successful teams again this year.

# FOOTBALL HIGHLIGHTS

In pre-season fever after two weeks of rigorous practice, the Maroon and Gold played some of its best ball of the season against a heavier and taller Devils Lake eleven . . . . . To most of the guys it was the best trip of all with about a hundred local fans following the team to Devils Lake. The big laugh came at the half-time when all the first string were rolling all over the field trying to get the kinks and charleyhorses out of their legs . . . . and here they thought they had been in fine shape for two weeks. The Satans were the first to score on a recovered fumble, putting us to a 6 to 0 disadvantage. But here it was that Thompson first showed his backfield potentialities, as he "streaked like a bullet" to quote Coach Peter Petrich, 34 yards to a touchdown tying up the game. I don't think anyone will forget that intercepted Devils Lake pass by Balerud who sped 90 yards for a touchdown . . . . . only to have it called back on a clipping penalty. But 6-6 wasn't such a bad way to begin a football season and most of us were pretty happy forseeing a bright future for the team . . . . . (Ugh)

Then there was the Glendive game, and since this is supposed to cover the seasonal highlights we'll just forget it—no, . . even if Glendive did trample us 26 to 0, two guys really carried the load for Minot; they were Willy Nelson and Hank Anderson.

The following week the Magi played host to the Class B champions, the Minot Model High and blashed them 25-0. Nelson and Thompson led them with 2 touchdowns a piece while Balerud flipped a pass to Nelson for another counter . . . . . So far so good, the season stood 1 win, 1 loss, 1 tie. . . . .

Loyalty Day found the Magicians entertaining the scrappy Dickinson Midgets—and scrappy they proved to be as the battle waged back and forth thru three quarters. Late in the fourth period, a field goal by Jim Thompson pulled us out of danger, gave us a 3-0 victory, and made this whole festive holiday a huge success.

The next week the mighty Magicians journeyed to Williston to take on their ancient rivals, the Williston Coyotes. On the ground it was a hard fought grapple all the way but Williston's air offense finally clicked for two touchdowns. Minot's only score was plugged over by Jim Thompson, after a fumble had been recovered on the Coyotes 16. The final score was Williston 12 Minot 6 . . . . . Our first conference loss! What a blow . . . but most of us were determined to make it our last. How little we knew what the next three weeks would bring.

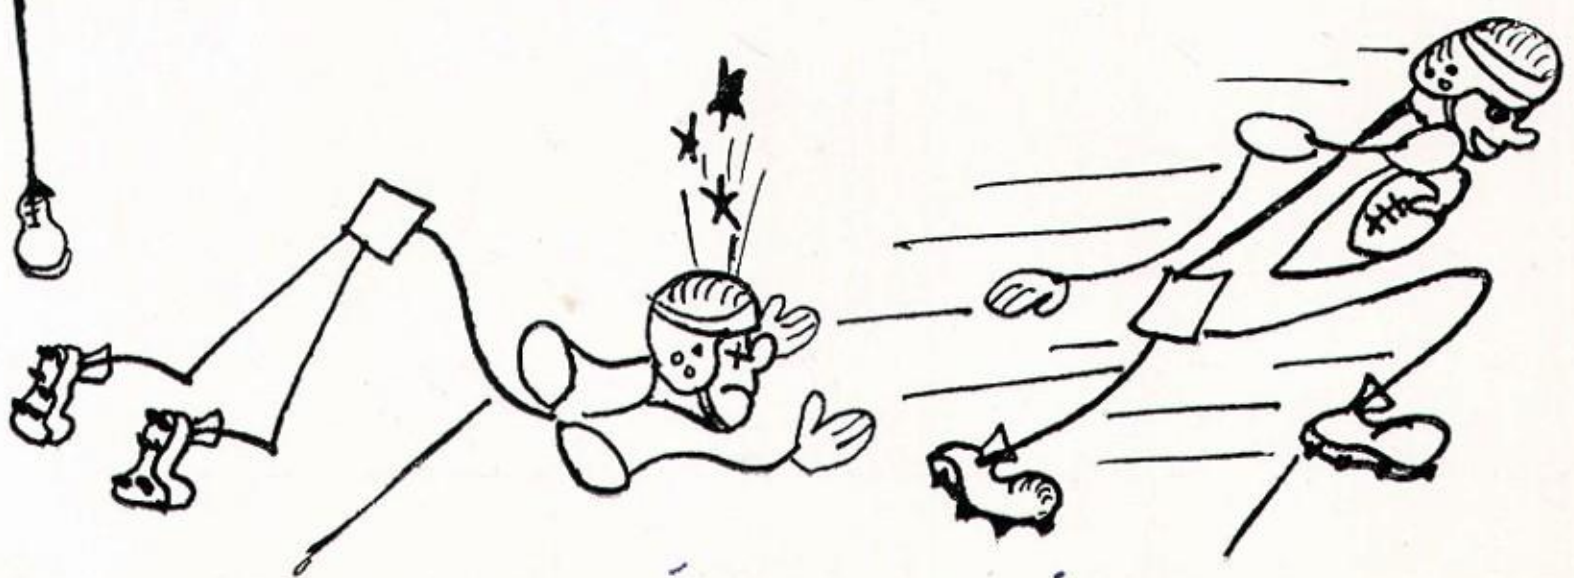

November 1 found the Maroon and Gold facing the Mandan Braves, destined to be State Champions. Although we were hindered by the loss of our co-captains, the fighting Magicians turned in the best game of their season. Highlights of this game were in the dependable line plunging of Jim Thompson, good for 6 points, and the passing of Balerud to Anderson and Lyders, good for 7 more points. In the last minutes of the battle Minot fans saw what they believed was some of the best football ever turned out of Minot High, featuring Thompson at his very best, the Maroon and Gold marched 84 yards to the Brave's 6 yard line when the game-ending whistle sounded.

From Mandan on in we were more or less beaten, —whipped, —here and there one would find a spark of hope but we weren't pulling together, as a team must. In the opening seconds of the Jamestown game we looked like world-beaters, driving 75 yards for a touchdown with Lyders carrying over. But the Blue Jays' deceptive offense finally turned the tide 20-6.

Bismarck, the next week was the same story, no fight, a miserable loss, 27-6.

Throughout the year, our main team was composed of eleven men who really took it most of the time with little substitutions, they were Thompson, Lyders, Nelson, Balerud, Mosvick, Whidden, Huizenga, Jackson, Norris, and Anderson. For some kind of an excuse for the past season, one could say it was just a case of too little weight, fight and quantity of material. For Coach Peter Petrich, this consolation, Mr. Varberg, Wally's dad put it this way using a farmer for an example, "Although a guy works his hardest and puts in a lot of seed, sometimes he just can't get a crop."

To the Juniors, next year,—don't find yourself in the shoes of some of the seniors who are kicking themselves for lack of intestinal fortitude or fight, who are eating out their football hearts for a vain wish for just one more football season! Make next year a state championship, —you can do it.

# BASKETBALL HIGHLIGHTS

Though the year 1948 didn't bring the state basketball championship to Minot, it did produce a fine team which has many possibilities in the future. The post season did leave us with possibilities in the future. The post season did leave us with one thing, unforgettable memories. Memories that will linger in our minds for years to come. No one will ever forget such stars as Wolfe, Bjork, Selk, Varberg, McGinley, Huizenga, and all the others, who composed this hard fighting, hard driving squad. Great things will be expected of this team next year, for they have one of the finest opportunities of taking the crown since the year 1944.

Minot opened their season at Mandan with a green and inexperienced team and were defeated by the Braves 38 to 35.

In their first home game the Magicians dropped a fighting St. Leo Lion squad 41 to 39. The across-the-street rivals put up a valiant fight, but were finally subdued in the closing moments of the contest.

The Minot Club made it two in a row by defeating the Midgets of Dickinson 42 to 35. The Magi led all the way to take an easy decision.

Pulling a real upset out of the bag, Coach Petrich's five defeated the defending Champions, the Grand Forks Redskins, in an interdivisional game. The contest was nip and tuck in the first two periods, but the Magi came back strong in the second half to defeat the centrals by a 36 to 29 count.

Minot made it four in a row at the expense of Park River, when they virtually trounced an outclassed Park River five, 61 to 27, on our home court.

During the Christmas vacation the Minot squad journeyed to Devils Lake to take part in the annual tournament held there. In their first contest the Magi lost to the Satans of Devils Lake by a score of 28 to 25, but came back in the second game to outscore the Blue Jays of Jamestown by a score of 35 to 32. This clinched them third place behind Valley City and Devils Lake.

Returning to their home court the Magi avenged an earlier defeat at the hands of Mandan, by scoring a 38 to 28 win. Minot led all the way to take an easy decision.

In a ragged and rough contest, the Jamestown Blue Jay's were dropped by Minot by a score of 44 to 35. Both squads showed room for improvement.

Showing some of their best ball playing of the season, the Minot team snowed under the Fargo Midgets, in an interdivisional game. Minot led all the way with the final score ending Minot 55, Fargo 35.

Playing host to Devils Lake, the Magi avenged an earlier defeat to the Satans, by defeating them in a closely fought contest, 34 to 28. The home team led all the way but were pressed up to the final moments.

Next the Magic journeyed to Williston. The Minot five suffered their third loss of the season, bowing before a powerful Coyote team. After a first period tie the Williston team pulled steadily away, and won by a comfortable 46 to 32 margin.

The Magi suffered their second defeat in a row, on a foreign court, bowing to the Demons of Bismarck 37 to 35. The Magicians held the lead for three quarters, but were outscored in the final count.

On the second night of a three day trip, the Magicians turned back a powerful St. Marys squad with a loss. The Magi led and came out on top of a 48 to 41 score.

A tired Magi five, playing their third successive game in as many nights were subdued by their hosts, the Dickinson Midgets. The Maroon and Gold were off in both their shooting and floor game and the final score found them in the bottom of a 38 to 33 count.

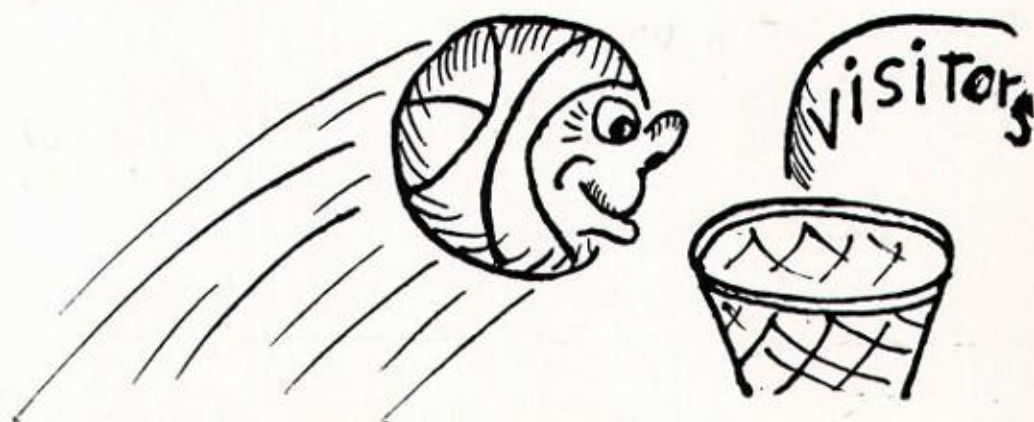

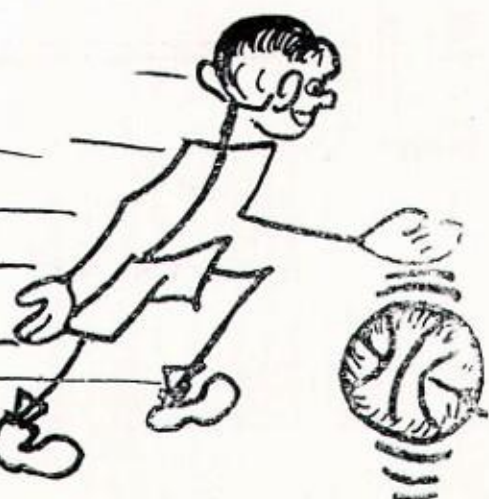

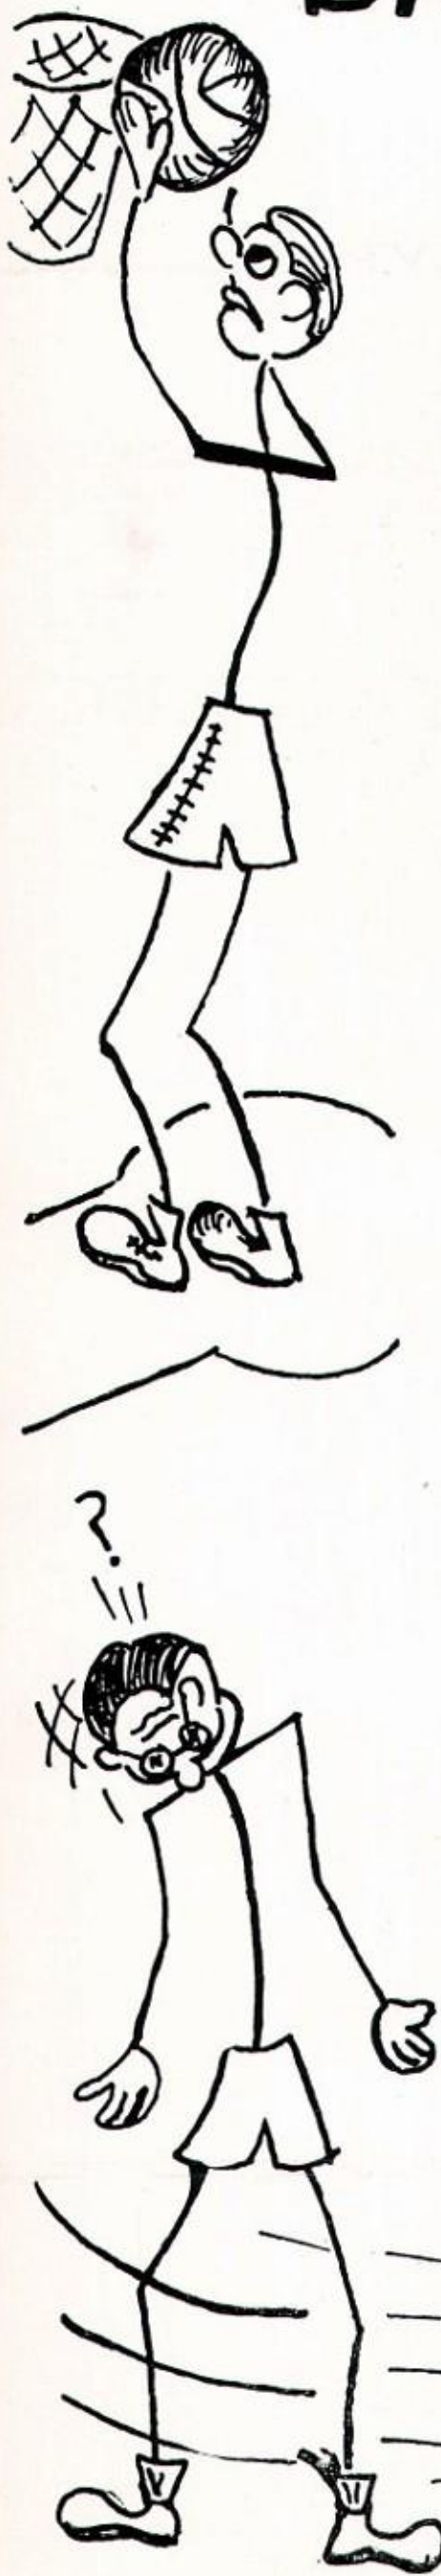

In one of the most exciting games of the year, the Minot Magicians turned back a revengeful St. Mary's team by a 44 to 43 count. Minot trailed by as much as an eleven point margin in the third period, but came back strong in the final canto to sew up the ball game on a free throw by Huizenga.

Next the Magi met their intracity rivals, the roaring Lions of St. Leo's. It was the usual closely played contest between the two schools. Minot led throughout the first three quarters with period leads of 9 to 8, 18 to 13, and 26 to 22, but were overtaken briefly in the fourth stanza. Then with two minutes remaining Minot came back fighting mad to take a 36 to 32 victory.

The Maroon and Gold were handed their first defeat on their home court to a fighting Bismarck squad by a score of 42 to 41. The Demons led by as much as 20 to 5 at one time, but the Magicians cut that lead only to lose the game in the final seconds.

The Magi suffered their second defeat in a row on their home court, succumbing to the Coyotes of Williston in a tightly fought battle. Minot led for three quarters of playing, but Don Fougner scored seven points in the last two minutes to clinch his team a 47 to 42 victory.

In the first game of the Western conference playoffs the Magi were surprised and dissatisfied in the opening round of play when they were upset by the Mandan Braves 43 to 41. The loss virtually eliminated the Maroon and Gold from gaining a position in the state finals. In the following consolation championship the Magi dropped a 47 to 40 verdict to St. Mary's of Bismarck. This ended the 1947-48 basketball season.

# SCHOOL HONORS

**Del Bjork:** Sports conscious Del Bjork puts his heart and soul into the game of basketball. He really is the fighter that his red hair portrays him to be. This hard playing placed him on the all Minot cage squad and on the all western conference team. Everyone will miss his sparky playing next year.

**Barbara Bowlby:** A versatile lass is Barbara Bowlby. She participates in a great many activities and excels in all of them. Barbara was chosen as the D.A.R. representative from North Dakota to go to Washington, D. C., with girls from the other 47 states. In her junior year she was given a second place in the poetry contest at Grand Forks, and this year she won the Elks Scholarship for girls.

**Greta Breaw:** A sparkling smile and shining eyes classify Greta, not only as an honor winning student, but also as a top personality. This year her hard work and outstanding ability helped her receive second place in the original oratory contest at Moorhead, Minn.

**Dorothy Cooley:** Dramatics, music, and debate are only three of Dorothy Cooley's many achievements. When a freshman, she was selected as the best girl actress in the state. In her senior year she placed second in the memorized oratory contest at Moorhead, Minn. Another high light of her senior year was being chosen as the outstanding girl personality of the western conference during the class 'A' basketball play-offs at Bismarck.

**Roger Mosvick:** When Roger Mosvick isn't busy practicing on his cornet, he has time to take in the Grand Forks contest, when he was a junior. This year he placed third in the original oratory part in sports and in a number of clubs. Roger was a member of the cast of the winning play contest and took first place in the state oratorical contest, also this year he was honored by being chosen second in the Elks Scholarship contest for boys.

**Willie Nelson:** One of the co-captains of the football team is handsome Willie Nelson. The efforts he put into the game of football won him honorable mention half-back on the all state team. His interests have sometimes strayed from the popular sport as Willie was selected by his classmates last year, as president of the class.

**Dennis Norris:** The other co-captain of the football team is not interested in only the sport of his choice. "Sox" Norris has been granted a free college education by passing a naval reserve exam. Dennis, having passed his physical exam also, will enter the navy when school is out.

**Joyce Roos:** A friend to everyone in the school is Joyce Roos. She always has a smile ready to brighten things up. As a pianist she is classed as almost professional. Her unquestionable ability won her a chance to audition for the Schumann club.

**Jim Rush:** One of the honors bestowed upon efficient Jim Rush is truly worth bragging about. He has been picked as the alternate to Annapolis. To most boys this would be the dream of a life time come true. Last year, when Jim was a junior, he took second place in the region essay contest. He has been a brilliant student through all three of his high school years.

**Sally Thomas:** One of the impressive junior girls is sedate Sally Thomas. Sally has won acclaim far and wide for her magnificent violin playing. This year she placed first in the state violin contest at Grand Forks.

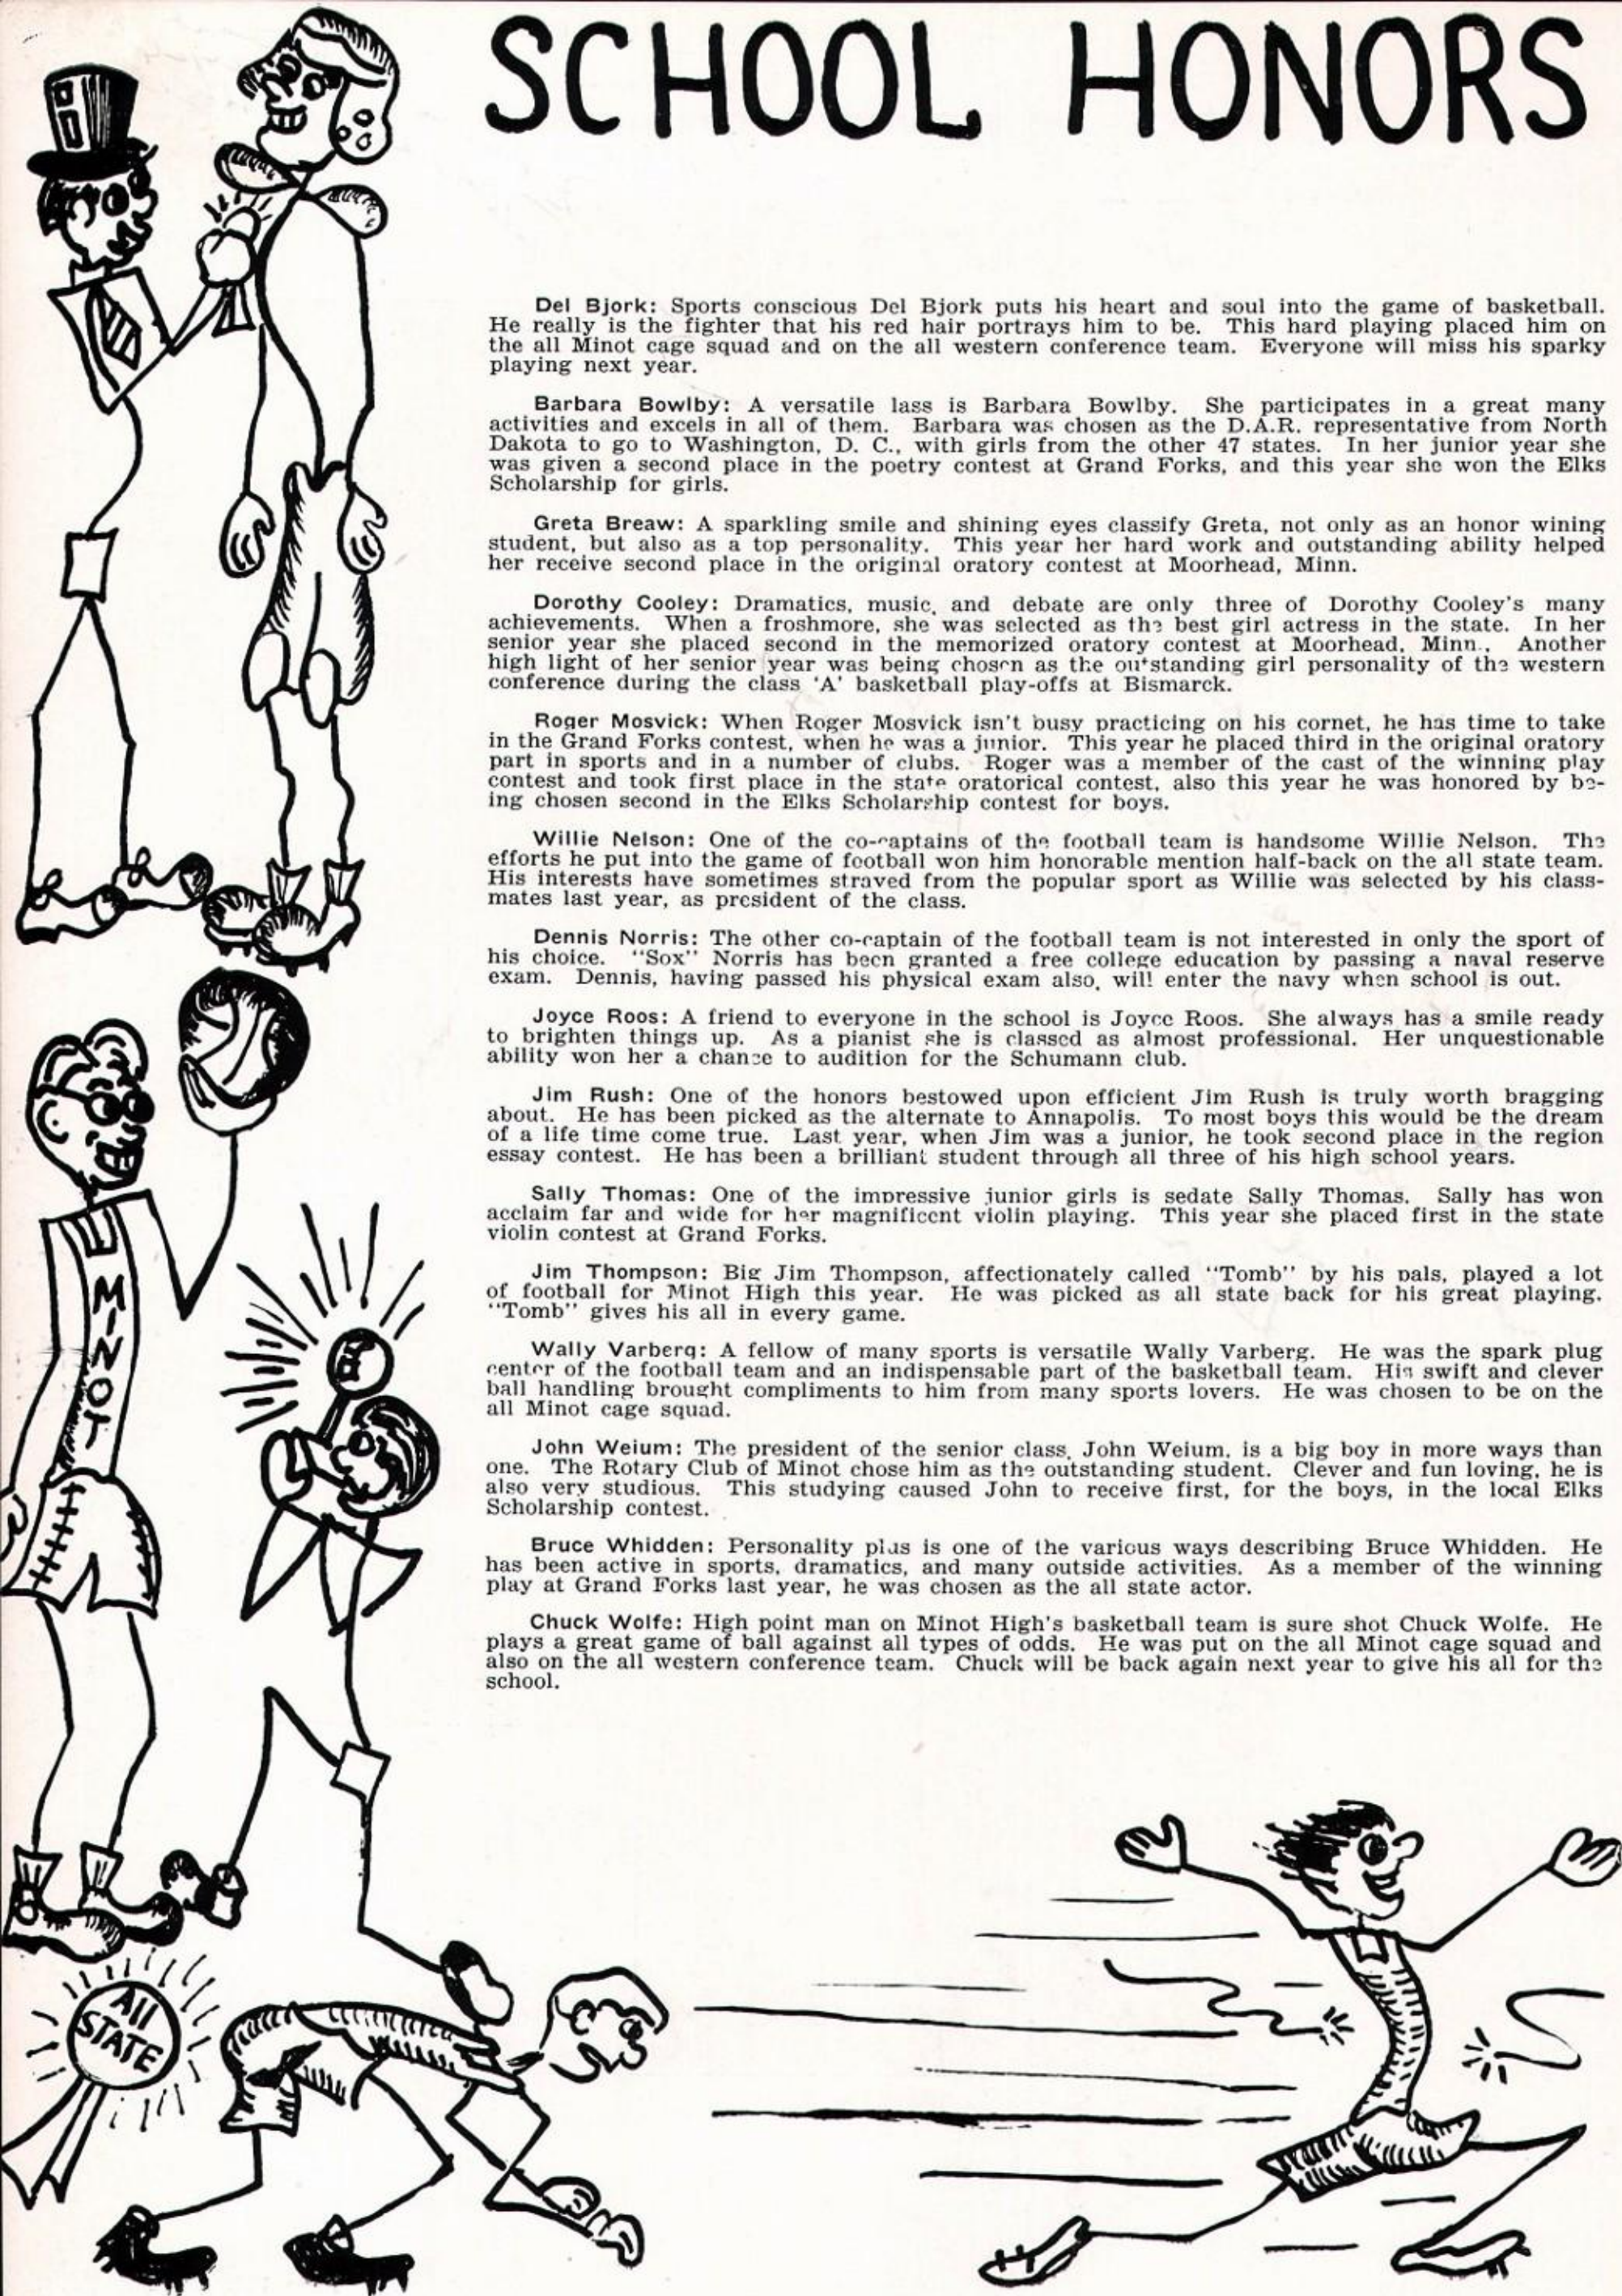

**Jim Thompson:** Big Jim Thompson, affectionately called "Tomb" by his pals, played a lot of football for Minot High this year. He was picked as all state back for his great playing. "Tomb" gives his all in every game.

**Wally Varberg:** A fellow of many sports is versatile Wally Varberg. He was the spark plug center of the football team and an indispensable part of the basketball team. His swift and clever ball handling brought compliments to him from many sports lovers. He was chosen to be on the all Minot cage squad.

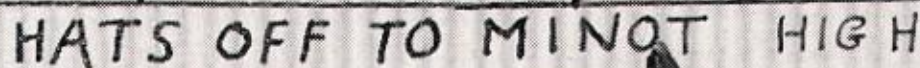

**John Weium:** The president of the senior class, John Weium, is a big boy in more ways than one. The Rotary Club of Minot chose him as the outstanding student. Clever and fun loving, he is also very studious. This studying caused John to receive first, for the boys, in the local Elks Scholarship contest.

**Bruce Whidden:** Personality plus is one of the various ways describing Bruce Whidden. He has been active in sports, dramatics, and many outside activities. As a member of the winning play at Grand Forks last year, he was chosen as the all state actor.

**Chuck Wolfe:** High point man on Minot High's basketball team is sure shot Chuck Wolfe. He plays a great game of ball against all types of odds. He was put on the all Minot cage squad and also on the all western conference team. Chuck will be back again next year to give his all for the school.

One of the outstanding organizations of Minot High is the Playmakers, directed by Miss Anna Ackermann. This group is composed of those students interested in the art of acting, directing, lighting, customing, and making-up characters.

To belong to this group students may join Playmaker Reserves, under direction of Miss Jane Gray, in their freshman or junior year and if they meet the qualifications of Playmakers they are initiated at the annual spring banquet put on by Playmakers' mothers.

The activities are varied and interesting. A class in make-up was received this year under the direction of Miss Ackermann, and teaches the student the artistic work of make-up. Boys working on lighting are helped by Mr. Roy Robinson. These boys take care of the important job of lighting which adds great effectiveness to any play.

Every Playmaker is eligible to try out for any of the three plays given during the year. Two of these are full length plays and one is a one-act contest play which goes to Grand Forks during High School week. Of the seven contests entered, Minot has taken seven first places. Those students not cast in the play may earn points towards letters and Thespian awards by serving on various committees. Miss Ackermann directs one full length play and the contest play and the other play is under the guidance of Miss Gray.

The highest aim of a Playmaker is to become a three-star Thespian. This means many hours of work not only in plays but also in stage craft, make-up, committees and ticket sales.

Playmakers learn to work together and to co-operate with others. Being able to participate in Playmakers is a wonderful opportunity for students.

## ***PLAYMAKER RESERVES***

New Playmakers for each year are chosen from the Playmaker Reserves. The purpose of this group is to stimulate the interest students have shown in various phases of play production, including settings, direction, lighting, and makeup, as well as acting. Officers were elected at the beginning of the year. They are:

President—Mildred Eidsness

Vice President—Marlene Miller

Secretary-treasurer—Shirley Bowen

Each member of Playmaker Reserves appears in one play during the year. Miss Jane Gray has been the very able director of these plays.

## Three Cornered Moon

Gertrude Tonkanogy's French production of the "Three Cornered Moon," a comedy in three acts, was presented by the Playmakers under the direction of Miss Anna Ackermann on Thursday and Friday, November 20 and 21.

The play deals with the moon struck family, the Rimplegars. Mrs. Rimplegar has sold out the family fortune to a stock broker and her once wealthy children find themselves penniless. They all go to work at starvation wages and the play ends happily but haphazardly.

The High School orchestra, directed by Arvel Graving, provided music, and the Junior class had charge of ticket sales.

## ASSEMBLIES

To keep up the morale of the students Mr. King has made it possible for us to have assemblies instead of some classes at intervals throughout the year. These interludes have been of a variety and have been in the nature of pay assemblies, non-pay assemblies, non-scheduled, student forums, pep, and concert. These assemblies are planned to appeal to all phases of school life and are enjoyed by all.

In the first assembly of the year, Brian Briggs received a two hundred dollar scholarship from the Elks. Lois Jessen was crowned queen by Dennis Norris and Willis Nelson at the Loyalty Day assembly. Mr. Walter Everman gave an amazing "Liquid Air Demonstration" on October 29, and on November 6, Emmett J. Cox was main speaker at a fire prevention assembly. Delbert Harter, a famous adventurer, told of his travels to different lands on December 2, concentrating on India. At the Christmas Assembly, the playmaker reserves gave "The Birds Christmas Carol." The college orchestra, under the direction of Arturo Petrucci, gave an entertaining afternoon assembly. On February 19, a National Brotherhood assembly was given by the speech class and the music department. Jack Evans, a magician, gave a very fascinating assembly on February 27 with the help of several students. On March 1, Dr. D. Q. Posin, talked in the Atomic Bomb energy. The M.H.S. uniformed band gave their first concert of the year. A variety assembly was given by the Boy's Glee Club on April 16. On March 25, a marimbist with the Missouri singers was very enthusiastically received and applauded by all students.

### "The orchestra of the day"

It was on the day of October the third, our annual Loyalty Day when our class president, John Weium, acted as Master of Ceremonies. The co-captains of the football team, Dennis Norris and Willis Nelson, crowned Lois Jessen as our queen. The queen, Lois, with her attendants, Beverly Rostad, Maxine Tufford, Gloria Wilson, and Amylou Krick, led the events of the day. Other events were: the Loyalty Day parade, a victorious football game over the Dickinson "Midgets," and the evening was culminated with a dance held in the high school auditorium.

The Library Club, composed of Froshmore and Junior girls, has done much for the upkeep and organization of the school library.

Under the direction of Miss Wilson, these girls have become learned in the fundamentals of librarianship. They have given courteous and prompt service to teachers and students.

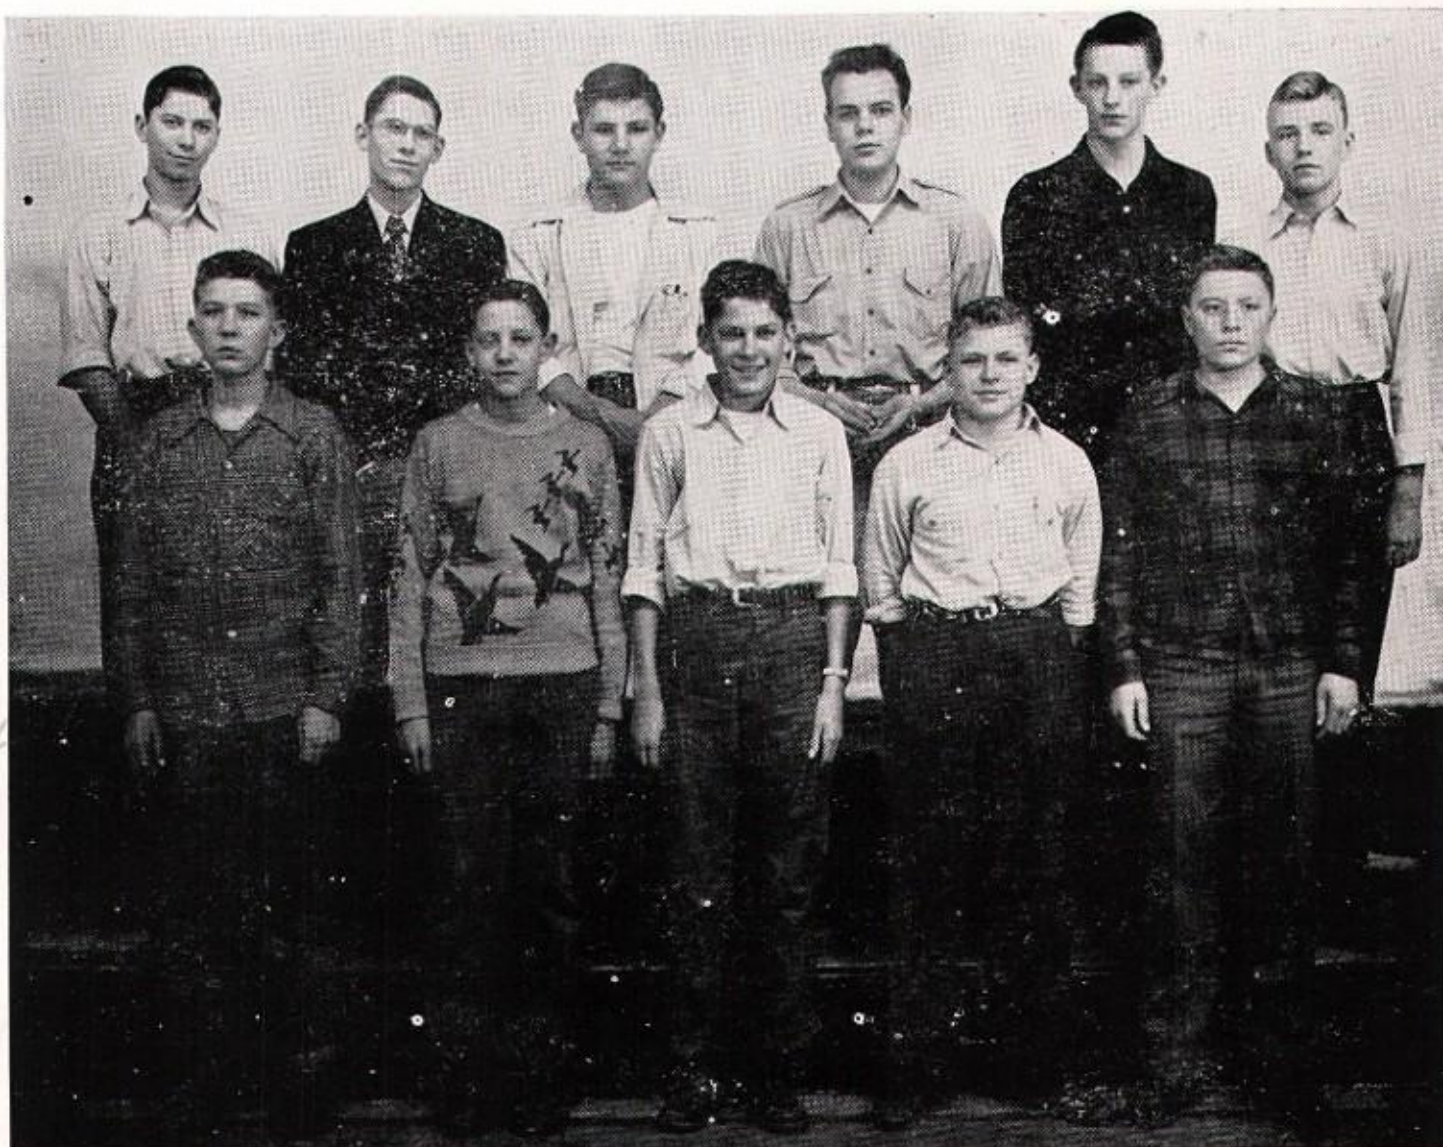

Throughout the year, appropriate decorations, put up by the librarians have helped to keep the library an appealing and pleasant place.

November 19 was the date picked for the faculty tea, held in the school library with the librarians acting as hostesses. The whole faculty was invited to come and browse about and get acquainted with new books.

Most of the librarians agree that library work is both interesting and beneficial.

Two different staffs have been responsible for the publication of the Minot High Times this school year. This year's seniors work took over the second semester in 1947 and completed their term at the end of the first semester in 1948. The Junior Class will have the same term of office; thus, each staff serves two semesters.

This paper is published bi-monthly, and occasionally an "Extra" is published. The High Times is submitted to several rating associations, but this year's ratings haven't been received. Quill and Scroll is one of the rating associations, and others include: The National Scholastic Press association at the University of Minnesota; and the Northern Interscholastic Press association, at the University of North Dakota.

## EDNA LaMOORE WALDO CHAPTER OF QUILL & SCROLL

Quill and Scroll is an international organization which seeks to reward the individual student for meritorious work on school publications. Minot High School's chapter was founded last year, and was named the Edna La-Moore Waldo chapter in honor of their adviser.

Being an honorary society, its members must have the following qualifications:

1. At least a junior in class standings.
2. Must be in the upper third of his class in general scholastic standing at the time of his election.
3. Must have done superior work in some phase of journalism or creative work.
4. Must be recommended by the adviser or committee governing the publications.
5. Must be approved by executive secretary.

Projects for this year included the publication of "The Magician," a literary magazine; and also the selling of programs at the home basketball games.

The club is sponsored by the Kiwanis Club in Minot and is to Minot High School what the Kiwanis is to the community. The club meets every Wednesday noon for dinner and to conduct its business. It is composed of representatives of all clubs and organizations in the high school. Key Club has already given to the high school a set of records for the school dances and a new set of football field markers. ## CHEERLEADERS

Zsssss . . . . Boom! -- Ahh! - Minot's cheerleaders, Rah, Rah, Rah! The four girls who have faithfully led M. H. S. at every game this year, certainly deserve their share of cheer. Their pep and spirit made every game a success. Win or lose.

Loyalty was given M. H. S. as the girls cheered the Magicians to victory at several out of town games as well as at the Class A tournament.

Each fall the Pep Club chooses two Junior girls to be cheer leaders. They serve for two years.

Beverly Rostad and Barbara Bowlby are the two seniors who completed their year of cheerleading this winter. Lorraine Clauson and Ida Jean Berg are the Juniors.

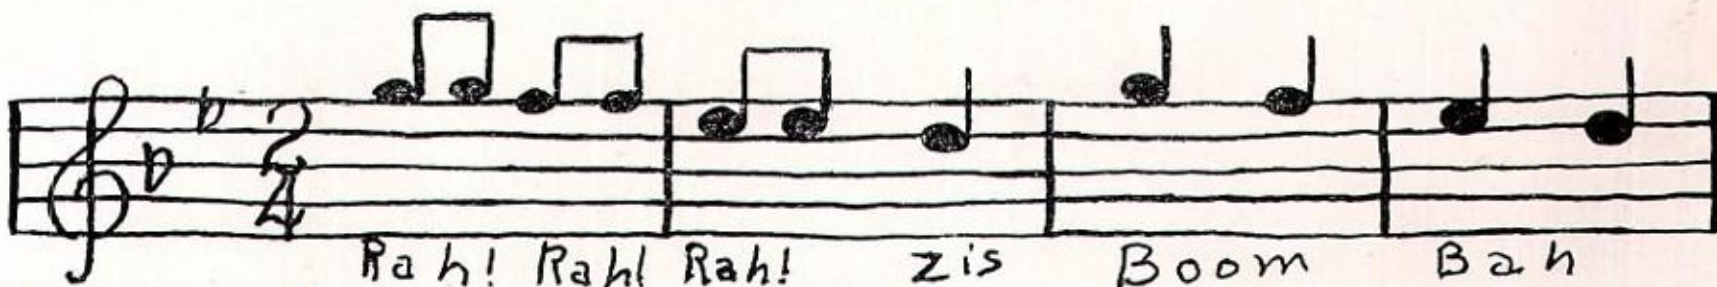

Bev's blonde hair is as captivating as her personality, and with her skill she definitely added punch to every yell.

Barb amazes spectators with her acrobats and her curly dark hair is as striking as her nimbleness.

Ida's dark hair and Lorraine's lighter hair evenly complete the contrast and all make a fascinating foursome. The juniors quickly learned from the two older girls and will be hard to beat next year.

Yellow satin blouses and maroon corduroy skirts and boleros made their appearance this year and they added to the charms of the four.

Rah! Rah! Rah! zis Boom Bah

## SCHOOL SPIRIT

We have, in our language, a host of words and phrases that are difficult to precisely define. Their meanings may have slightly different colorings for different individuals. Sometimes, too, it may be hard to recognize all of their elements. Civilization, democracy, and liberty are words of this type. They are so broad and encompass so many things that people differ regarding them.

School spirit is another of these "hard to define" phrases. We may be in agreement on its complete lacking or unquestioned presence. It is the in-between points that raise questions. This thing we call school spirit is surely a reflection of many things. It is the mirror of the inner life of every school. It is like the personality and character of an individual. We should, then, spare no pains in seeing to it that only the finest of all ingredients are compounded into this complex thing. We should all be ever on the alert to see that our school spirit is always on the positive end of the scale marked only by those attributes that reflect nothing but fine qualities of our school.

Dear Eugene,  
 Guess I'll  
 be leaving  
 this year.  
 I hope  
 Good luck  
 to you in  
 your senior  
 year.  
 Guess I'll  
 just have  
 to learn  
 to dance  
 Love,  
 Lush.  
 Dear Eugene  
 I'll never  
 be able to  
 forget you  
 because of  
 your noisiness  
 at the class  
 A yes what  
 a noisy boy  
 But I  
 want  
 it more  
 fun!  
 Good luck.  
 Love  
 BO

Hello Gene - my  
 you were in  
 great inspiration in  
 art class (now you  
 know why I got those  
 marks!) Shirley  
 Bye - see you this summer

Dear Gene,  
 This year sure has been  
 a fast one - lots of thrills  
 & guess. Good old Art Class,  
 I don't know what I'll  
 do next year without  
 a non-profitable class  
 to relax in!! The group  
 was fun too - next year  
 they'll probably call on  
 you (I guess they're hard  
 up for painters) to work  
 for them! Be good now  
 + don't forget your  
 pal

Best wishes to a swell guy

 Hi Gene, I repeat myself a saying  
 much I repeat myself a saying  
 have fun this summer and I mean  
 you next year - I really mean  
 it though. I think we all deserve  
 a perfect summer after living  
 through Art Class. Tell we're  
 big wheels then - next year that  
 is - Bye now,  
 Bye now, Darling

Hi Gene - and  
 good luck on this  
 year! Have fun! The  
 summer is going to be good  
 for us! Bye! (Love)

Dear Gene -  
Oh - the mad

You really are good tho.  
and I sure think  
you're nice - even  
if you do draw  
funny pictures  
of me.

Good luck  
be good to the  
school next yr.  
Sweet kisses  
Shirl "48"

Dear Gene,  
What a lonely & gay time  
I've had all year. I finally made  
it through. I can make it through  
only through. I can make it through  
that I hope I can. Best of luck to a  
sweet kid!!!

Dear Eugene,  
Whow! Aren't we gettin' tender callin'  
one another "Dear" etc. Oh well it's fun! Wonder  
what problems we Big Wheels will have  
next year. We can take care of anything.  
See ya around,  
Marilyn Alton
